Thompson Rivers University Residence, 1025 University Drive, Kamloops, BC V2C 0E1  
Thompson Rivers University McGill Housing, 1055 Campus Drive, Kamloops, BC V2C 6N2

The Residence community is a place that promotes a safe and peaceful environment that supports the academic success of Residents as well as their personal and social development. We aim to ensure that it is inclusive, responsible, and respectful. The Residence Community Living Standards (RCLS) has been created in consultation with students and staff at colleges and universities across Canada to ensure the Residence environment achieves this goal.

Within the RCLS the following items are discussed and defined:

1. **Objectives of the Residence Community Living Standards** (our goals for the community)
2. **Rules that Affect You in Residence** (Residence rules, Thompson Rivers University policies and Canadian laws)
3. **Residence Citizenship** (your rights, responsibilities and privileges)
4. **Offenses and Sanctions** (rules and consequences)
5. **Judicial Procedures** (incident reports, meetings, and appeals)

## 1. OBJECTIVES OF THE RESIDENCE COMMUNITY LIVING STANDARDS

- **To create a safe, secure, responsible and respectful community** by outlining the positive standards of behaviour expected within the Residence community and holding Residents and their Visitors accountable for behaviour that violates these standards and encouraging Residents to resolve their community living issues in a mature fashion.
- **To create an environment conducive to academic success** by promoting behaviour among Residents and their Visitors that creates an effective learning environment.
- **To create an environment conducive to personal growth and development** by educating Residents about the effect that their choices may have on themselves and others around them and providing Residents with an opportunity to learn from their behaviour.
- **To create a fair environment** by following the Principles of Natural Justice and Procedural Fairness and clearly defining the standards and processes that Residents, Visitors and Staff are expected to follow.

## 2. RULES THAT AFFECT YOU IN RESIDENCE

Residence policies and procedures are set guidelines for students that live in residence on Thompson Rivers University's campus. These are detailed in the Student Residence Agreement, the residence website, and the RCLS. Thompson Rivers University policies and procedures are related to an individual's status as a student of Thompson Rivers University, which includes Residence. Therefore, as a Residence student your actions in Residence can also affect your academic status.

Municipal, Provincial and Federal laws and by-laws are related to you being a citizen in the city, province and country. The standards outlined by Residence and Thompson Rivers University are informed by these laws. Residence and Thompson Rivers University Staff aim to ensure that all of these standards of behaviour are respected and maintained.

Normally the Residence policies and procedures and Thompson Rivers University policies and procedures act independently of one another. However, Residence shares all reports alleging RCLS violations with Thompson Rivers University. In situations that create a concern for the safety and security of students in Residence and on campus, all important information will be shared between appropriate Residence and Thompson Rivers University officials. In some cases, investigations may be conducted by both the Residence and Thompson Rivers University and the student will be subject to the Sanctions under both sets of policies and procedures.

For more information about Residence and Thompson Rivers University policies and procedures please refer to the following documents:

- The TRU Policy Manual: [www.tru.ca/policy.html](http://www.tru.ca/policy.html)
- The TRU Complaint Procedure: [www.tru.ca/calendar.html](http://www.tru.ca/calendar.html)
- The Student Residence Agreement

### Scope & Application

## **Authority**

The RCLS is intended to be clear to all readers. If you have a question, consult a member of the Residence Management Team, as they have the authority to interpret the Standards.

The RCLS attempts to identify a range of behaviours that constitute Offenses. Residence reserves the right, in extraordinary circumstances, to identify and Sanction conduct that may not be specifically described, but which does not clearly support the stated Objectives of the RCLS or Thompson Rivers University Polices.

## **Protection of Privacy**

Residence respects the privacy and personal information of Residence students and will comply with the Freedom of Information and Protection of Privacy Act regarding the gathering, retention, safeguarding, sharing, and disposal of personal information. All concerning behaviours and allegations of offenses documented in Residence Reports will be made available to the Resident, Campus Security and the Office of the Director of Ancillary Services and Student Affairs, upon request. All Residence reports, files and records, both paper-based and electronic, will be kept for seven (7) years after the termination of the Student Residence Agreement.

## 4. OFFENSES AND SANCTIONS

An Offense is any unacceptable conduct, actions or neglect that violates the RCLS, Student Resident Agreement or Thompson Rivers University's policies. Offenses are described and classified based on three levels of increasing severity. Sanctions are the consequences for Offenses, which are described in detail in subsequent sections of the RCLS. At each Level of Offense and/or after repeated Offenses the severity of the Sanctions will increase.

**Level 1 Offenses:** Actions that interfere with the rights of another individual or community to the peaceful use and enjoyment of their space in Residence. Normal Point Range: 1-2

**Level 2 Offenses:** Actions that create a significant nuisance and/or disturbance to an individual or community and/or repeated Level one Offenses. Normal Point Range: 2-4

**Level 3 Offenses:** Actions that endanger the safety and security of an individual; significantly compromise or damage personal or Residence/Thompson Rivers University property; attack the dignity/integrity of an individual; contravene the laws of the land; and/or repeated Level two Offenses. **Any Level 3 Offense may warrant an eviction.** Normal Point Range: 4-6

### The Point System

The point system is designed to help define the seriousness of specific behaviours and where a Resident stands in the disciplinary process (i.e. how far away they are from eviction). All Offenses are associated with points ranging from a value of 1 through 6. All Offenses have a minimum value of one point. The assigned number of points will depend upon the incident and/or its severity. Points remain on record for 365 days from the date of issue, or as stipulated upon eviction. After a Resident has been found responsible for an offense, the Resident will usually also be responsible for educational, restorative, or punitive Sanctions. In some circumstances, points may be removed after the completion of educational or restorative Sanctions. Within the Point System, the progressive disciplinary process is summarized by the following table:

Points Accumulated	Stage in Disciplinary Process
1 - 4	Warning
5 - 8	Probation (may include behavioural contract, suspension, denial of re-admission to residence)
9 +	Eviction (Exception: Any Level 3 Offense could warrant an eviction even if the point accumulation is less than 9)

## PRIMARY AND SECONDARY CONTACTS

Every resident is required to identify two people as their Primary and Secondary contacts. It is suggested that these people are parents or legal guardians of the resident, as they serve as emergency contacts. They may also be contacted if any other significant concerns or problems arise with the Resident, such as significant violations of the Residence rules, late payments or fees, or concern for their well-being. Sections 5.01 and 5.02 of the SRA provide more details about the Primary and Secondary Contacts.

## 5. JUDICIAL PROCEDURES

### Principles of Natural Justice and Procedural Fairness

The Principles of Natural Justice and Procedural Fairness must prevail in Judicial Procedures to uphold the principle that justice must not only be done, but be seen to be done. The principles are explained below:

- (a) The Resident has the right to be informed of the allegation(s) of Offense(s).
- (b) The Resident is entitled to an opportunity to respond to allegation(s) of Offense(s) at a meeting with Residence Staff and is also entitled to a reasonable notice of the time, place and nature of the meeting.
- (c) The Resident is presumed not to be guilty of the alleged Offense(s) until an impartial and unbiased Decision-maker has determined the Offense(s).
- (d) The Resident is entitled to reasonable disclosure of evidence of the Incident Report prior to a decision. Fact-finding occurs at a meeting with the Decision-Maker.
- (e) At meetings to discuss Level three Offenses, the Resident is entitled to call a reasonable number of witnesses to the meeting to discuss alleged Offense(s). This must be arranged with the Decision-maker prior to the meeting.
- (f) The Resident is entitled to be advised in writing of the Decision about the alleged Offense(s) and the Sanction(s) applied, (if any). The Decision about guilt or innocence and any associated Sanction(s) should be made within a reasonable time.

### Standard of Proof

The information necessary to prove that an Offense has occurred is referred to as the Standard of Proof. Outside of a court of law, the model used by Thompson Rivers University is called the Balance of Probabilities. The Standard of Proof has been met if at the conclusion of an investigation, based on all credible information, the Residence Staff believes that the incident reported probably occurred. This means that the information provided in the Incident Report and in the judicial meeting demonstrated that the violation is more likely than not to have occurred. The Standard of Proof for criminal cases is beyond a reasonable doubt, which does not apply in Residence Judicial Procedures.

### Incident Reports and Judicial Meetings

A summary of the Judicial Process is presented in the chart following this section.

Residence Staff will record behaviours, actions or negligence that may be Offenses against RCLS in Incident Reports. When necessary, the Incident Report may also include appendices, such as e-mails, photographs, or Security, Police, or Fire reports. Residence Staff will notify the Resident(s) of the alleged Offense(s) and will notify them of a meeting to discuss the matter.

The purpose of a Judicial Meeting between a Resident and a Residence Staff member is to investigate allegations of Offences detailed in an Incident Report. This is the opportunity for Residents to be heard and explain their behaviour to the Residence Staff member. While these meetings must comply with the Principles of Natural Justice and Procedural Fairness and may result in formal Sanctions, they are not designed to be highly formal in nature. At the conclusion of the meeting, the Residence Staff member will follow-up with the Resident in writing with a Decision Letter, which will outline all necessary decisions about Offences, Sanctions and any related deadlines. If the Resident fails to attend the Judicial Meeting with the Residence Staff member, the Residence Staff member may choose to proceed and make a decision based upon all evidence available.

### Communication between Resident(s) and Residence Staff

Residence Staff will endeavor to communicate with Residents via the following methods to discuss Incident Reports, deliver Decision Letters, and any other important aspects of the judicial process: (a) a voice mail on the Residents phone provided to them in their room, (b) an e-mail to their Thompson Rivers University e-mail account or the account provided in their application, (c) a letter placed in a Residents mailbox or under a Residents room door, or (d) in person. Attempts to contact and communicate with a Resident are deemed to be satisfactory when any two of the above methods have been used by Residence Staff.

### Resident Emergency Procedures

Although the three Levels of Offences and the Judicial Procedures are intended to apply to most situations related to behaviour, there are conditions that warrant a heightened Level of concern for safety, security, health and wellbeing. ### APPEAL PROCEDURES

A summary of the Appeal Procedures is presented in the chart following this section. The following general principles apply to all appeals:

- (a) The Principles of Natural Justice and Procedural Fairness must prevail in Appeal Procedures to ensure compliance with the principle that justice must not only be done, but be seen to be done.
- (b) Any resident found in violation of the RLCS is entitled to submit an appeal, based in the grounds for an appeal mentioned below.
- (c) A resident has 72 hours from the date they receive their Decision Letter to start the appeal process. Staff will endeavour to respond to appeal requests within 72 hours of receiving them.
- (d) Depending on the original decision rendered the appeal process proceeds via one of two processes: the Appeal Process or the Eviction Appeal Process, which are detailed below.

## THE APPEAL PROCESS

- (a) The Appeal Process is in place for all decisions excluding Eviction.
- (b) Students may complete an Appeal Request Form and submit it to the Residence Office, within 72 hours of receiving the decision letter. The resident requesting an appeal must demonstrate that they have grounds, which includes providing evidence of one of the following items:
  - i. **Bias:** Alleged and reasonable apprehension of bias of the Decision-maker who imposed the sanction(s).
  - ii. **Procedural Fairness:** Alleged substantive failure by the Decision-maker to comply with the Principles of Natural Justice and Procedural Fairness, which may have affected the decision.
  - iii. **New information:** Substantive new evidence which could not have been available to the Decision-maker when making the decision.
  - iv. **Alternative Sanctions:** The resident may request for their sanction to be altered by suggesting options that are equivalent in nature to the original decision (this is not applicable to evictions).
- (c) Once the Appeal Request Form is received, the resident(s) will be contacted in writing within 72 hours to setup an appeal meeting. If the appeal is granted, the GM (or designate) will set-up an Appeal Meeting with the resident(s).
- (d) The individual or committee considering the appeal may, after reviewing the case:
  - i. uphold the findings and/or sanctions;
  - ii. reverse the findings; or
  - iii. reverse or modify the sanctions.
- (e) During an appeal, all sanctions (minus financial sanctions) remain valid until they are reversed or modified by the individual or committee hearing the appeal. Financial sanctions will not be applied until a decision has been made.
- (f) All decisions made in an appeal are final and are not subject to further appeals.

## THE EVICTION PROCESS

- (a) If the resident has grounds for an appeal, the resident may complete the Appeal Request Form and submit it to the Director, Ancillary Services, within 72 hours of receiving the eviction.   - iii. **New information:** Substantive new evidence which could not have been available to the Decision-maker when making the decision.
- (b) Once an eviction Appeal Request Form is received, Director, Ancillary Services (or designate) will review the grounds for the appeal and make a decision to either deny the appeal or set-up an Eviction Appeal Hearing. The resident(s) will be contacted within 72 hours to notify them of this outcome.
- (c) If the appeal is granted, the Director, Ancillary Services will set-up the Eviction Appeal Committee, which will be comprised of a Chair, one Thompson Rivers University student and one Thompson Rivers University staff. One of the members of the Eviction Appeal Committee must be a student, and one member must be a member of Residence Senior Management. Residents appealing an eviction will be provided with additional information about Appeal Hearing procedures.
- (d) The Eviction Appeal Committee will communicate a decision in writing to the resident. The committee will review all evidence and may decide to:
  - i. uphold the findings and/or sanctions;
  - ii. reverse the findings; or
  - iii. reverse or modify the sanctions;
- (e) During a, appeal, all sanctions (minus financial sanctions) remain valid until they are reversed or modified by the individual or committee hearing the appeal. Financial sanctions will not be applied until a decision has been made.
